GRAPHISOFT
A NEMETSCHEK COMPANY

Appendix B.

Declaration for Lost, Stolen, Destroyed Protection Key* replacement

Company name:

Company address:

Name and position of the Company representative:

e-mail address:

Protection key number(s):

- hereinafter referred to as the "End User" -

In name and on behalf of the above written End User I hereby declare that the above listed Protection keys are

Lost ☐   **Stolen ☐**   **Destroyed Software key ☐**

Please briefly describe how the <u>Software key</u> has been <u>destroyed</u>:

If the protection keys are found, the above written End User undertakes to return them to GRAPHISOFT SE or its local Partner without delay.

In the case of theft the above written End User hereby undertakes to submit to GRAPHISOFT SE or the entity set forth by GRAPHISOFT SE a police investigation report or other relevant document appropriately proving the theft of the protection key outside of the End User's scope of authority. The End User acknowledges that GRAPHISOFT is entitled to deny the provision of the replacement protection key if GRAPHISOFT does not find appropriate proof that the theft occurred outside of the End User's scope of authority and that the End User cannot be held liable in any way for the theft occurred.

The End User expressly acknowledges that the lost or stolen protection key is considered invalid and prohibited to be used as soon as GRAPHISOFT is notified of the theft. **In case GRAPHISOFT finds that the Lost, Stolen or Destroyed protection key continues to be used by the End User after the execution of this declaration, the End User agrees to pay GRAPHISOFT SE or its local representative three times the license fees paid by the End User in consideration of the Product uploaded on the Lost, Stolen or Destroyed protection key(s) as penalty payment.**

The End User accepts that this Declaration is a supplement to the GRAPHISOFT Software License Agreement.
