

## Declaration for Protection Key\* Replacement Defective, Destroyed, Damaged, Lost, Stolen

Customer's name:

---

Customer's registered address:

---

Name and position of the Customer's representative:

---

E-mail address:

---

Protection Key number(s):

---

- hereinafter referred to as the "Customer" -

In name and on behalf of the above written Customer I hereby declare that the above listed Protection Keys are

Defective       Destroyed Software Key       Damaged       Lost       Stolen

Please briefly describe how the Software Key has been destroyed:

---

---

---

If the Protection Key/s is/are found, the above written Customer undertakes to return them to Graphisoft SE or its Graphisoft Partner without delay.

The Customer expressly acknowledges that the defective, destroyed, damaged, lost, or stolen Protection Key/s is/are considered to be invalid and prohibited to be used as soon as Graphisoft is notified. Graphisoft is entitled to deactivate (delete) the Software Key remotely from any computer. **In case Graphisoft finds that the defective, destroyed, damaged, lost or stolen Protection Key is continued to be used by the Customer or passed (e.g., resold, transferred, etc.) onto a new User after signing this declaration, the Customer accepts that this is a material breach of the contract with Graphisoft SE and agrees to pay within 3 (three) days, from the issue date of the written warning letter of Graphisoft SE or its Graphisoft Partner (as defined by Graphisoft SE), liquidated damages under Section 6:186.§ of the Hungarian Civil Code (Acct V of 2013). The amount of liquidated damages is equal with three (3) times of the license fees paid by the Customer in consideration of the Product uploaded on the defective, destroyed, damaged, lost, or stolen Protection Key(s).**

The Customer accepts that this Declaration is a supplement to the Graphisoft Software License Agreement (EULA).

Place and Date:

Signature of Customer

\*The Hardware Key and Software Key referenced in the GRAPHISOFT SOFTWARE LICENSE AGREEMENT are referred to in this document together as Protection Key.
